

BUSINESS DIRECTORY

The Lake Yard Club enjoys a unique waterfront location with outstanding views of Poole Harbour, Arne peninsula and the Purbeck hills. Our welcoming clubhouse complements our location and on-water atmosphere

The business Breakfast at Lake Yard, has been here since 2010, meets on the first Tuesday of each month and is about catching up with contacts, making new connections, sharing news and identifying new business opportunities. The atmosphere is informal and friendly and we welcome people from a wide range of businesses and professions.

At most meetings, we have a guest speaker, who delivers a short and informative talk on topics related to business, management, marketing, etc.
